Our boat is a good one, and we have plenty of hands engaged at all times, to work it.

At the opening of Spring we shall have a fine new

STEAM FERRY BOAT. when all can cross without detention. The ferry landing is the best on the Rivez, there being at all times deep water from shore to shore, and very narrow. Our banks have no wide sand beach where stock can mire down, being

dry at all times.

To the Emigrant to Kansas we say, this is the place to cross, as when here the distance to other points in the Territory, is nearer than Atchison, Kansas Ter., Jan. 27 1855.

STEAM SAW MILL. AM now erecting in Atchison, a Steam Saw Mill, of the very best kind; which will be completed by the first of March. After that time I shall be able to supply the citizens of Kansas with all kinds of lumber, at as low a price as any other Mill in the Territory.

This is to purchase 10,000 Saw-logs, for which I will pay the highest price, in Cash or any kind of lumber.

DELAWARE

THE Town of Delaware is situated in Rin souri river, three miles above the line of the Missouri river, three miles above the line of the Delaware reserve, and ten miles below Leave worth city. This town was laid off and located in February last, on a tract of land densely bered, easy of access from the surrounding country and situated favorably for health deready there are a number of houses going as it has the following resources as a good as prominent point:

Firstly—A Good Landing.

The Missouri river at this point is compressed within a narrow space, the channel is markably deep on the Delaware side, and was ces for a mile above and below, the Kanasa show, thus affording at all times a safe and seem landing for steamers.

Secondly—Timber in Abundance
The tract of land on which the town is independent on the court is covered with valuable timber, for built ing purposes, besides this, there is on the egosite side of the river a large bottom, heavily timbered with oak, ash and walnut.

Thirdly—Its Position.

This town has on the Kansas side of them.

er supporting it, a large district of the very bus lands in the Territory, while on the opposition of the river there is a large and fertile feet tom, teeming with population. This lotter is of itself sufficient to sustain a town of large time.

This is the most accessible point of the contract of t of itself sufficient to sustain a town of his size. This is the most accessible point from which the Delaware nation of Indians can be cure their supplies. Delaware is the nearer and most accessible point at which the country on the Kansas river can do their receiving the on the Kansas river can do their receiving the forwarding business. There are a great number of towns on the Kansas that will find it to their interest to make this place their shipping point, among them we would name Osawkee. Calhoun and others. As there is a good ferry at this point, emigrants traveling to Kansas Tritory on the great State road from St. Joseph to St. Louis, will find that this is the prompoint at which to enter the territory, as by the means they avoid a great deal of unnecessar means they avoid a great deal of us

Health.

This location is high and commanding, hwing no stagnant water near to generate disease-from its streets, there is presented to the eye spendid view of the Missouri river for miles above and below the town, the country in the vicinity presenting a view at once pleasing and

persons we ask an examination. In word we ask for Delaware an examina the public.
